President's Message | By JC Strote 209.406.4188 | jcglassart3@gmail.com

I'm busy this month preparing for and hanging the February Show. I am the featured artist for February. I hope you will stop by and check out my work. It is a retrospective of past work. I hope you enjoy it.

We are still looking for a location and a Chairperson for our Spring show. We are considering the San Joaquin Historical society barn but park entry is \$5 and we worry that people won't come if they have to pay \$5 to enter the park. May is the timeframe due to our late start. If we do not have a Chairperson then the board will have to take it on and it will again be in our gallery. Call will go out by the end of

February in either case. If you are willing to chair this event or just the reception please contact me as soon as possible. We are building classes at the Gallery thank to Caroline. She is having a 6 week drawing class this month. Patti is back teaching her Watercolor Mixed Media classes. Darrell will be offering a Framing and Display class later this month. Denise Konz has scheduled 2 Chalk Painting Classes in February. Watch our Facebook page and website for more information. It is the time of year to start recruiting new Officers for the organization. I do not know if others will continue but I do know that I definitely need a break and I hope someone will step and run for President. Please let us know if you are willing to run for office. Hope to see you at the gallery this month.

A Message From Jacie Rivas | jacierivas@yahoo.com

Hi Members! You may have noticed that we have new content on our website! I'm seeking a new image of the front of our Gallery for the Home Page. If you are interested in taking a fresh image that we can use on our Home Page, please contact me by April 1. If we receive multiple responses, I will ask the Board to choose from among our entries.

Also: We have a page on our website which lists our [Board Members](#). I'd love to fill in the missing pictures of your smiling faces! Please send your picture to me at the email address above and I'll update our website.

Last, we love feedback! I know there is already a lot of information on our Facebook page and we try to mirror that information in our newsletter and on our website. Please send any ideas you have for content we could add to our newsletter and website to me at the email address above for consideration. Thank you!
