Fused Glass Art

jcglassart3@gmail.com

As I write this, there is one more week of the Spring Show at the gallery. I hope all of you take an hour or two and stop by the gallery to see the outstanding quality of work on display. Both the Gala and the Art hop were successful and the raffle continues to bring in money. Final accounting won't be available until next month. As of this date we have sold for of the Spring Show Entries, We still have one silent Auction Cancun trip which did not receive any bids. It is a 5 days 4 nights stay at the Ocean Spa Hotel valued at up to \$5,000. Contact me if you would like to place a bid on this trip. For more information about the strip go to www.cancuncards.com. Many helped to make the Spring Show successful, but a few stand outs need to be thanked:

- **Caroline Henry** who was at every receiving, judging, hanging, gala.
- **Elsa Bates** who started working early last year accumulating and planning the Raffle and Raffle baskets, which are so critical to our success.
- **Valarie Pinaglia** was right there with Elsa, along with helping with receiving and setting up the raffle.
- **Susan Farley** who took on the planning and organizing the gala.

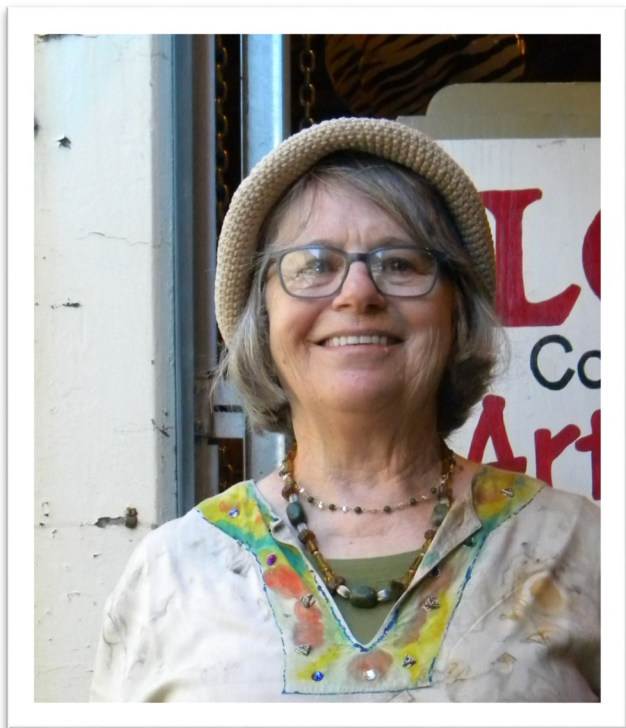

There were many others who helped and we could not put on this show without the help of our Members.

Spring Show pick up is May 20th and 21st.. That is ALSO receiving for June. Pick up for June will be June 24 and 25th. This is to avoid the 4th of July holiday and because we will be receiving work for the Membership show that weekend.

Coming fast is the Membership show in July, receiving for the Members Show is June 24th and 25th. July is the start of a new fiscal year for the gallery Time to renew your membership .Membership show is limited to all members as of July 1st. You may pay your membership when you bring your entries in for the Members Show.

Finally, we will be discussing Hanging fees and sales percentages at the board meeting on June 14th at 5PM. If regularly place work in the gallery, I don't want you to be surprised if fees and percentages change. It's your organization you need to participate.

We've had a number of new artists join the Art Center recently, welcome! If you haven't been active yet as a participating artist in the gallery, or you haven't been active for some time but want to be again, I'm happy to train or retrain you in the basics of running the gallery. Just sign up when you bring your art in, or as soon as possible, and be sure I know that you need training or retraining. You can also call me with questions. We're all volunteers and can't be expected to remember everything about the "job" in the way that a regular employee of a store does!

It's been great seeing the gallery jam-packed with beautiful and thought provoking art during the Spring Show, I hope to see lots of member art filling the gallery in the June show. I'll get the new calendar out to you as soon as possible after the May 21 intake for are "early start" June show.
